DPF 4600GLX

The applications really are endless! Having one film in your shop that can be used for multiple applications will free up space, while saving you money.

A high performance film with the perfect balance of body and conformability makes DPF 4600GLX the ideal every day film. Whether you have a partial vehicle wrap, interior wall graphics or a window graphic to install, DPF 4600GLX will provide you with a bubble-free installation and a smooth finish. Since all good things come to an end, when you're ready to remove your wrap you can count on a clean removal.
