DPF 50WD CLEAR

DPF 50WD Clear is a clear vinyl film with a clear low tack removable pressure-sensitive adhesive. The low tack adhesive is designed to bond well to glass surfaces while removing cleanly in a wide range of temperatures. DPF 50WD Clear has a premium moisture stable polycoated lay-flat liner that is optimal for printing on a variety of print systems. DPF 50WD Clear is rated for outdoor durability up to 1 year (unprinted). Printed durability is dependent on the ink system used.
