# SERIES 5400

Series 5400 is your low cost choice for silver etched glass film. The versatile film can be used indoors or outdoors on a variety of glass surfaces. The etched glass film adds elegance to your décor, as well as additional privacy when applied to windows and doors.

### Unique Features:

- ▶ Customize glass surfaces at a fraction of the cost of actual cut and etched glass
- ▶ Add privacy without losing natural light

### Applications:

- ▶ Glass Surfaces
- ▶ Interior Décor
- ▶ Outdoor Applications

NOTE: Series 5400 is formulated for cut designs only and is not recommended for printing.
